

DEEP CALLING

PSALM 42:7 Deep calleth unto deep at the noise of thy waterspouts: all thy waves and thy billows are gone over me.

SOMETHING IN US CALLING FOR A BETTER PLACE

50-0405 EXPECTATION_ NEW.YORK.NY WEDNESDAY_

« E-25 † My mother used to have a superstition. The little children that I... had ten of us. And when the little fellows would be... They'd get a habit of licking their lips. And she'd say they were tasting for something. And she'd put, maybe preserves on. That didn't work. Maybe put a little honey, that didn't work. Maybe some watermelon, that didn't work. But after a while, when she found something that they were tasting for, why, they were... It would stop licking its lips.

Well, that might have been a superstition. But this, when there's a hunger in the heart of the human being for something, there's bound to be Something creating that hunger in there.

In other words, **David said, "When the deep calls to the deep..." And when there's a deep calling, there's bound to be a deep to respond somewhere.** And if there's a deep calling for more of God for healing, there's bound to be a fountain of healing and the power of God somewhere to respond. Do you believe that? With all my heart, I know it's the truth.

And as we call, and there's something in us tells us there's a land beyond the river.

« E-27 † [Blank.spot.on.tape--Ed.]... **something calling out, a deep. There's a greater place, a better land.**

51-0714 EXPECTATION_ FLINT.MI SATURDAY_

« E-23 † Not long ago I was setting on the porch. And wife and I, we were in a swing, swinging. The crowds had just got away. And some old sand cranes flew across, going down to the river. And they were calling. And I looked at those old cranes, and I said, "Look, God has fed them all day long out in the swamps. They're going down to the falls now to get with their kindred and--and there be for the night."

Two little robins, my favorite birds, flew up, and went into their nest. They'd fed their young all day long. God had provided for them. And at nighttime, He had a way provided for them to roost in safety.

And I said, "Surely, someday when life is ended, and the sun of my life is setting, and your life, God has a way somewhere." There's something that tells us there's something out there: The deep calling to the deep.

LITTLE BOY - BICYCLE PEDAL - SULFER

51-0714 EXPECTATION_ FLINT.MI SATURDAY_

« E-24 † I read in the paper here not long ago where a little baby eat the pedals off of a bicycle, eat the rubbers off of pencils. The doctors said what it was: **his little body needed sulfur.** And he was eating that rubber, because there was sulfur in the rubber. Now, before he could've--there could've been any **CRAVE** for that sulfur, there had to be something in here **CRAVING** it, **creating that desire.** **And if there's something here creating that desire, there's bound to be something out there to respond to that--to that Creator, creation.**

In other words like this, as I'd say this. **Before you can have a desire, there has to be a Creator to create that desire.** Is that right? Before there is a creation, there has to be a Creator.

« E-7 † **If his body's CRAVING sulfur, there's sulfur somewhere to respond to that CRAVE.** Is that right?

BABY (CHILD) CRAVING SALT

53-0216 MY.ANGEL.SHALL.GO.BEFORE.THEE_ TALLAHASSEE.FL MONDAY_

« E-18 † Brother Baxter was telling me one the other day, that a little baby kept craving salt, salt, salt. And they taken the salt away from the baby, wouldn't let him have it. The baby died. They held a post-mortem, and come to find out there was something in the baby's body that had to have that salt. And they put it in there and it just dissolved the salt up. See? If they give the baby salt, if...

BEFORE THERE CAN BE A CALLING THERE HAS TO BE SOMETHING FOR IT TO CALL TO

52-0809 DEEP.CALLETH.UNTO.THE.DEEP_ CHICAGO.IL SATURDAY_

« E-6 † Now, you know when the deep calls to the deep, there's got to be a deep to respond to it. You believe that, don't you? See? David said, "When the deep calleth to the deep..." **In other words like this: Before something can be here calling out for something, there has to be something out there for this in here to be calling to. Is that plain enough...?...** See?

Now. Here. In other words, I've made a statement like this: "Before there was a fin on a fish's back, there had to be a water first for him to swim in or he wouldn't have the fin." He'd never had a fin if there was no water. Before there was a tree to grow on the earth, there had to be a earth first, or there'd be no tree grow on it. Is that right?

A CALLING FOR DIVINE HEALING - FOUNTAIN OPEN

52-0727 LED.BY.THE.HOLY.SPIRIT_ ZION.IL SUNDAY_

« E-22 † You believe in Divine healing, do you? Do you believe that as long, as I said today, **when the deep calleth to the deep, there's a deep to respond to it? If you believe in Divine healing, there's bound to be a fountain open somewhere.**

And the same Holy Spirit that led them there has led you here, right to the place where you can...?... His moving of the Spirit, showing He's the same yesterday, today, and forever.

Then Lord... Oh, my, what else could happen here tonight? Led by the Spirit of God, moved up here and took a seat, believing that God was going to make you well, expecting to be healed. Are you all? How many of you sick people is expected to be healed tonight? All right. You're going to get it: have too. You believe it and are expecting it, it's got to happen. I just believe God, don't you? Certainly. What He says is the truth. **Don't--don't try to figure it out. Just believe.**

SOMETHING IN YOU CALLING FOR MORE OF GOD

51-0714 EXPECTATION_ FLINT.MI SATURDAY_

« E-25 † And you remember, a long time ago when the church got formal and everything, the people begin to crave more of God? The baptism of the Spirit come into existence. See, you were hungering and thirsting for more of God. **And as long as you thirst for more of God, there's bound to be more of God somewhere to respond to that.** If there's a deep calling, there's a deep to respond. See what I mean?

OUT OF THE COLD FORMALITY OF OUR DAY, THERE IS DEEP CALLING FOR MORE OF GOD

52-0809 DEEP.CALLETH.UNTO.THE.DEEP_ CHICAGO.IL SATURDAY_

« E-8 † Back here some time ago when the--when the **Lutherans** had their revival, there's a group called **Methodists**, they called for God: **the deep calling to the deep.** God rose up a little old fellow over there in England by the name of **John Wesley**, and--and Whitefield and them, and away they went with a message of sanctification. They found more of God. Don't you believe that? They was **CRAVING** more. Well, it went on for a while, and after while, the **Methodists** begin to organize and get **cold and formal** and the... Then people begin to **CRAVE** more of God. Then along come **Pentecost**. Is that right? **Deep called to the deep.** Now, these **Pentecostal people** begin to get just as **form and ritual** as the rest of them. And then, first thing you know, **the deep calls to the deep.** And here comes the **gifts restoring** right back into the church: God moving along. See that? **Deep calling to the deep.**

DAVID ALSO EXPRESSED IT THIS WAY

PSALM 42:1

» 1 † ¶ **As the hart panteth after the water brooks, so panteth my soul after thee, O God.**
